

**BEACH LIFE CODE OF CONDUCT 2024**  
**FOR MINISTRY WITH CHILDREN AND YOUNG PEOPLE UNDER 18**

Relationships among people are the foundation of Christian Ministry. It is with the intention that relationships in ministry be experienced at all times as loving and without the intention to do harm, or allow harm to occur, that the following Code of Conduct has been adopted. All team members are asked to carefully consider this Code before agreeing to adhere to the standards and serve as a member of this year's Beach Life Team.

- I will aim to follow the example of Jesus, treating each person with dignity and respect.
- I will do my utmost to prevent abuse and neglect among children and young people involved in Beach Life activities.
- I will not physically, sexually, spiritually, or emotionally abuse or neglect a child or young person.
- I will share concerns about inappropriate behaviour or breach of policy with the Duty Minister and/or Age Group Leader/Safeguarding Lead.
- I accept that inappropriate behaviour or attitudes may result in disciplinary action being initiated.

I have attended a training event and understand the Beach Life Safeguarding policies, and I will conduct myself in complete accordance with them.
